

He was real. He had a rock solid core of wisdom in him."

Isaac's humor and his positive outlook on life served as an inspiration to so many who had the honor and privilege to know him. With the passing of Isaac Juneby, Alaska has lost a beloved Native elder and chief, a father, a culture bearer, a brother, an honored Army veteran, a husband, an inspirational man, an uncle, and a good friend. On this day I ask that we honor the lives of an extraordinary family and remember them during this time of such profound loss.●

COMMISSIONING OF THE USS "MISSISSIPPI"

● Mr. WICKER. Mr. President, on Saturday, June 2, 2012, I was present at the commissioning of the USS *Mississippi* in Pascagoula, MS. The USS *Mississippi* is a Virginia class submarine, part of the "next generation" of attack subs. The submarine was constructed by General Dynamics Electric Boat in Groton, CT, as well as Newport News Shipbuilding, a division of Huntington Ingalls in Newport News, VA

This is a mighty submarine that bears a mighty proud name. The citizens of the state of Mississippi enthusiastically embrace the fifth Navy vessel in our Republic's history that bears the name USS *Mississippi*. The naming of the submarine as USS *Mississippi* recognizes our State's long-standing tradition of shipbuilding in support of our Nation's defense. It also honors the spirit of the people of Mississippi who have made great strides in recovering from the devastation of Hurricane Katrina.

It is appropriate that this ship was completed a full year ahead of schedule. Mississippians have always been early to step forward in the service of their country. It is a fact that volunteers from our State have always been known to step forward quickly and eagerly to serve their country. So for many the words USS *Mississippi* will stand for patriotism and readiness.

For those who remember Katrina and Deep Water Horizon, the words USS *Mississippi* may mean "resilience" or "quiet resolve." Within the ranks of the U.S. Navy, USS *Mississippi* will be associated with the words "state-of-the-art," the best in the world. For them, that is what USS *Mississippi* will mean. And for the Ship's Sponsor Allison Stiller, she will think of the word "tenacity." And no doubt our adversaries, wherever they may be, will hear the words USS *Mississippi* and think "strength" and perhaps they will think the word "freedom."

Within the borders of this traditional "Bible Belt" state, we will think about our Founding Father's reliance on Almighty God. I can assure CPT John McGrath, his Commissioning Crew, and those who will serve on this submarine that you will be prayed for each and every day. These prayers may be a quiet whispered prayer at night or

early in the morning or they may be the majestic words of William Whiting, who wrote this hymn:

Eternal Father, strong to save,
Whose arm hath bound the restless wave,
Who bidd'st the mighty ocean deep
Its own appointed limits keep;
Oh, hear us when we cry to Thee,
For those in peril on the sea
Most Holy Spirit! Who didst brood
Upon the chaos dark and rude,
And bid its angry tumult cease,
And give, for wild confusion, peace;
Oh, hear us when we cry to Thee,
For those in peril on the sea!

With apologies to the author and perhaps to those who know this hymn well, I have attempted to pen an extra verse:

From Pascagoula's shores we send
The finest sailors known to men,
Proud *Mississippi's* name they bear;
Lord, bless and keep them free from care,
Protect them when they call to Thee,
Our sons and daughters now at sea.

Congratulations to Captain McGrath and his Commissioning Crew, God bless the United States, and God bless those who will serve on the USS *Mississippi*.●

MESSAGES FROM THE PRESIDENT

Messages from the President of the United States were communicated to the Senate by Mr. Pate, one of his secretaries.

REPORT RELATIVE TO THE CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO THE FORMER LIBERIAN REGIME OF CHARLES TAYLOR THAT WAS ESTABLISHED IN EXECUTIVE ORDER 13348 ON JULY 22, 2004—PM 56

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Reg-*

ister for publication stating that the national emergency and related measures dealing with the former Liberian regime of Charles Taylor are to continue in effect beyond July 22, 2012.

Although Liberia has made advances to promote democracy, and the Special Court for Sierra Leone recently convicted Charles Taylor for war crimes and crimes against humanity, the actions and policies of former Liberian President Charles Taylor and other persons, in particular their unlawful depletion of Liberian resources and their removal from Liberia and secret- ing of Liberian funds and property, could still challenge Liberia's efforts to strengthen its democracy and the orderly development of its political, administrative, and economic institutions and resources. These actions and policies continue to pose an unusual and extraordinary threat to the foreign policy of the United States. For this reason, I have determined that it is necessary to continue the national emergency with respect to the former Liberian regime of Charles Taylor.

BARACK OBAMA.
THE WHITE HOUSE, July 17, 2012.
